## WORK EXPERIENCE

### Full Stack Developer

### RISS (Remote IT Services And Solutions) — 2020 - present

I start working with RISS (Remote IT Services & Solutions) from 2019 as a Full Stack Developer , I managed Projects in different Web Development, FRAMEWORKS like Html 5, Css , Js ,Bootstrap 5, React Js , Next Js, Tailwind Css, Scss, MDBootstrap, Vue Js, PHP, Laravel, Node Js, Strapi etc.

### Full Stack Developer

### Trusted Jacks (Remotely - part time) — 2021 - Present

I have gone through years leveling up my ability as a Website designer and developer - all of which have empowered me to be independent and do a web-based business for myself. My sites are SEO well disposed of because they didn't neglect to fulfill my clients purpose.

### Internship

### Venture Tech Computer Education — 2019 - 2020

I am a Web developer by profession and a Programmer by heart. I love being in this line of work because I am passionate about technology, design, and innovation. Learn many of things in internship like React JS, Node JS, And Tailwind Css.
